Title: Method of Generating Painted or Tile Mosaic Reproduction of a Photograph or Graphic Image**AMENDMENT**

In response to the office action of April 19, 2004,
please amend the above-identified application as indicated
below.

1. IN THE CLAIMS:

Please amend the claims as indicated below:

1. (Currently Amended) A method for creating a hand paintable panel without the use of printed boundaries on the panel, but with a set of indicia for guiding a user in painting over the panel to create a painted image, the method comprising:

providing an image in digital form into a memory in a programmable computer;
assigning pixel locations to the image;
assigning color or shade palette values to the pixel locations; and
